Storing weather nothing of importance going on

Baryne Amacorda at St Latharine

Remarks on Board from Feb 25 to Mar 12, 55

lying at anchor yet waiting for the Carpenter who is in the hospital at the city we lay 12 miles from the city of St Latharine the Capt & his Lady are up to the city we had a man on shore watering, he went away and got some liquor down and come down to the boat and swore he would not go on board again the fourth Mate told him he should then he drew a knife and made a stab at him but did not hit him then one of the boatsteerers clinched him he cut his nose and his arm the fourth Mate come on board and the Mate went on shore and put him in irons and brought him on board and put him down the Main hatch a few nights after this a boatsteerer came in & waked me up said some of the men had got the Third Mate forward & were a going to take a boat & go ashore the Mate & myself went out one of the villains was just going into the boat with a bundle of cloths the Mate had a Pistol he went up to the man & asked him what he was doing ^{to do} he was a going to put them cloths in the boat the Mate told him to go aft the man hesitated the Mate cocked his Pistol I held it up to his head I told him to go aft or he would blow his brains out he dropped bundle & went aft & we had him in irons in about no time as soon as they heard us they let the Third Mate go come to find out these men had got some liquor on board and got the 1st Mate drunk and then they come aft one of them with a dagger and told him if he said a word they would put it to his heart and then they carried him off forward I suppose they intended to gag him they did not think the boatsteerer would blow on them after we had got this man in irons along comes the ring leader we sent the fourth Mate after some irons and soon had him secure then we found out another one of the rascals and got him along I put the irons on him after this we stood watch we had a revolver in our pocket ready for them in the morning the Capt told the Third Mate he did not want an officer in his Ship that would take rum from the hand of a sailor and drink it so he discharged him on the fifth I was taken down sick the Capt would not sail till I got better the 12 we got under way I began to recover so ^{under} these days
